Wood Foundation: 48SW4068, Structure F (NE/SW/SW/SE Section 20, T20N, R102W 12/667720E/4626380N).

Structure F is a collapsed wooden structure. The structure is located along the lower slope of the south side of Horse Thief Draw approximately 1 mile northwest of Superior.

The structure consists of a collapsed wooden building. The long axis is roughly northeast to southwest with the overall dimensions being 15 feet 9 inches by 10 feet 2 inches. The structure has a gabled roof of milled lumber planks which has collapsed. The walls consist of vertically set railroad ties. The structure has collapsed inwards and no sign of the floor could be seen. No openings were identified along any portion of the building.
